The **Arizona Coalition for Tomorrow Charitable Fund, Inc., (ACT)** makes it possible for children of low-income families to enroll in Head Start. Since 1991, we have held the state's most comprehensive health fair providing eligible children the federally required, but unfunded, health, dental, vision, hearing screenings, and immunizations necessary for participation in Head Start. No other public or private organization in metropolitan Phoenix provides these needed services on such a scale.

The profound positive role that Head Start plays in changing the lives of children, their families, and ultimately our community as a whole is absolutely invaluable. Head Start has been shown to have a lifelong positive impact on children's abilities to learn, and ultimately their abilities to earn a livelihood and become positive, contributing members of our community. ACT does not want the Head Start program to falter simply because the necessary screenings cannot be attained or afforded by the at-risk student population. Providing these services at no cost has been our mission for 24 years. Each year we strive to serve more children and their families than the year before. Each year the need grows.

The Coalition is looking for sponsors to sustain, maintain, and solidify its annual **ACT Kids Health Fair** event. This year the 2016 **ACT Kids Health Fair** will be held on Saturday, September 24, 2016 at **The Cartwright Center: 5480 W. Campbell, Phoenix, AZ, from 07:30 AM to 3:00 PM**. Last year's Health Fair was very successful, with more than 3,500 families and children participating, along with community businesses, and, +900 volunteers.

By participating in the **ACT Kids Health Fair**, your organization has the opportunity to promote your services and declare the Mission of your organization to our community, network with the community and other businesses, and potentially recruit new customers. Furthermore, choosing to be a sponsor of this event furthers the visibility of your organization's association with the successful annual **ACT Kids Health Fair**.

Generous corporate contributions and support from Head Start, Maricopa County Medical Society, Maricopa County Department of Public Health Services, Arizona

Department of Health Services, City of Phoenix, (GRIC) Gila River Indian Community, USAA, Virginia G. Piper Charitable Trust, Walmart, Fry's and many other wonderful public and private organizations help to defray the cost of implementing this massive one-day event which provides nearly \$300,000 dollars savings to our community...directly to low-income at-risk families who cannot afford these costs.

Once again, we appreciate you and your organization's interest and involvement in our community and would love to have your participation with us in the **2016 ACT Kids Health Fair**. If you have any questions, please do not hesitate to contact us.

Our website is: **www.ACTkidshealthfair.org**.

We look forward to hearing from you!

Best regards,

**(ACT) Arizona Coalition for Tomorrow Charitable Fund, Inc.**
